

Engage ~ Lead ~ Inspire

360° FEEDBACK PROGRAM

360° Feedback is a powerful tool, not only for individual growth but also for the cultural development of your organisation.

COURSE SUMMARY

Benefit from a structured 360 Feedback Program with input from trusted peers and associates to enable strategic changes in your communication style. 360 Feedback can help rapidly accelerate your career, develop your leadership and increase your organisation's results. These insights will help you focus your efforts on the specific communication issues that drive effectiveness and business outcomes.

KEY BENEFITS

- Revealing insights into key relationships and ways to further build and enhance them. Effective techniques to increase your internal and external influence.
- Greater engagement with a renewed sense of purpose and self directed leadership.
- Confidential on-line self assessment tool for greater self awareness.
- On-line assessment from peers, direct reports, Board members and clients for a deeper understanding of how actions and behaviours are perceived by key stakeholders.
- In depth discussion, review, and a personal development plan to support your sustained leadership growth.

CLIENT SPECIFIC

The program can be timed and tailored to suit your industry, people and specific outcomes.
