

Engage ~ Lead ~ Inspire

EFFECTIVELY COMMUNICATE YOUR SAFETY MESSAGE

Influence others to lead safely and work safely.

COURSE SUMMARY

As leaders in our industry we must be skillful in the way we communicate, especially when it comes to the safety of our people. We need to go beyond compliance to inspire new levels of responsibility in our leaders and managers for the welfare of those we lead. We need to facilitate smart decision making for better safety outcomes.

KEY BENEFITS

In this program you will step up to further hone your interpersonal skills, as you discover how to:

- Set and communicate clear safety direction
- Create alignment within and across teams
- Positively influence people to practice safety leadership at all levels.

SKILLS DEVELOPMENT

- How to avoid typical traps of boring and dry content.
- How to plan and structure your safety message with clarity and focus for maximum audience engagement.
- Nonverbal communication techniques to increase your confidence, control and coherence.

CLIENT SPECIFIC

The program can be timed and tailored to suit your industry, people and specific safety outcomes.

ABOUT THE FACILITATOR

MARGO HALBERT has a passion for the art of influence and presentation and how this might be applied to safety in the workplace. Her techniques can help you communicate your safety message more effectively. As a coach and workshop leader Margo makes mastering these advanced safety leadership skills an enjoyable and achievable process. Margo has worked to develop safety practice across a range of corporate cultures.
